### MEMORANDUM

To: All Licensees

From: Brandy Madding, Chair

*Brandy Madding*

Date: July 18, 2022

RE: Potential Spam Board Phone Calls

---

The Kentucky Board of Licensure for Massage Therapy (“Board”) was recently made aware of potential spam phone calls being made. These individuals appear to be calling from the Board’s phone number, which they have spoofed. In the phone conversation, the individuals state they represent the Board, an investigation is underway, and the authorities are involved. **This is not the Board.**

Should a complaint be filed against your license, the Board will notify you in writing on official letterhead. That correspondence will be sent to you via certified mail. Please be cautious when speaking to individuals on the phone, and never divulge personal information if you believe the phone call is not legitimate.

Please report any potential spam or spoofed calls to the Board office via email to [MT@ky.gov](mailto:MT@ky.gov) or via phone to 502-782-8808. You may also write to the Board via the address above. Thank you.
